

Clerk User Manual

Access Idaho's PayPort™ customizable point-of-sale system conveniently enables your agency to accept credit/debit card payments (American Express, Discover, MasterCard, VISA) for virtually any type of sales transaction.

This manual details the steps necessary for you to create and process transactions for customers who pay in person, by fax, or by telephone.

Section 2: Optional Card Reader

While a credit/debit card reader is not required to use PayPort, it does improve a transaction's speed and accuracy when a card is presented for payment.

Access Idaho sells card readers (see Figure 1 and features below) at cost, however you are welcome to use existing readers or order new ones on your own. Regardless of the type or brand, be sure the reader you use features **keyboard emulation**. *NOTE: The computer(s) you connect card reader(s) to must have internet access.*

Magtek Card Reader Features

- Keyboard emulation
- Powered by USB (No external power supply required)
- Scans either direction
- Includes USB interface
- Green/red LED
- Part #21040109
- www.magtek.com
- Questions? Call Access Idaho at 208-332-0102.

Dimensions

Height: 1.23 in (31,3 mm)
Width: 1.28 in (32,5 mm)
Length: 3.94 in (100 mm)

Figure 1 Magtek Credit Card Reader

One Step Set-up

Simply plug the card reader into a computer's available USB port (Figure 2). The reader's light should turn green, and your computer may make a sound to confirm a successful connection.

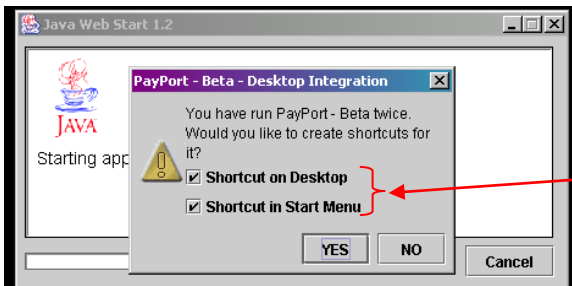

Figure 2 USB Port

Section 3: Logging into PayPort

NOTE: If your computer does not have the PayPort application installed on it, go to <http://payport.idaho.gov> to download the software.

Double-click the PayPort link or icon located on your desktop.

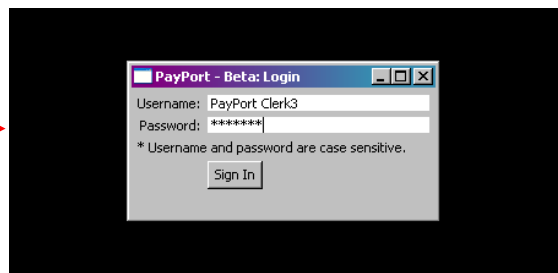

When launching PayPort for the first time, you will have the option to save a shortcut to your Desktop and/or Start Menu for easier access.

Each time you log-in, PayPort automatically updates your version of the software and loads it while displaying the following screens:

Login screen →

Section 4: Item Types

The following examples illustrate common item types and how they are entered in PayPort. Consult your agency's Catalog Manager for questions or further details.

Item Type Examples:

1. **Fixed Price**—Item with the same pre-set price per item, regardless of quantity

Logged in as: PayPort Clerk3 Logout

Purchases Find Receipt

102 - Document Filing Add Display All Catalogs

Item Name	Note	Price	Quantity	Subtotal	
102 - Document Filing		\$ 3.00	3	\$ 9.00	Remove
102 - Document Filing		\$ 3.00	20	\$ 60.00	Remove

Ordering: 102 - Document Filing
Quantity: 50
OK Cancel

2. **Price/Note**—Item with pre-set pricing and space for additional info

Logged in as: PayPort Clerk3 Logout

Purchases Find Receipt

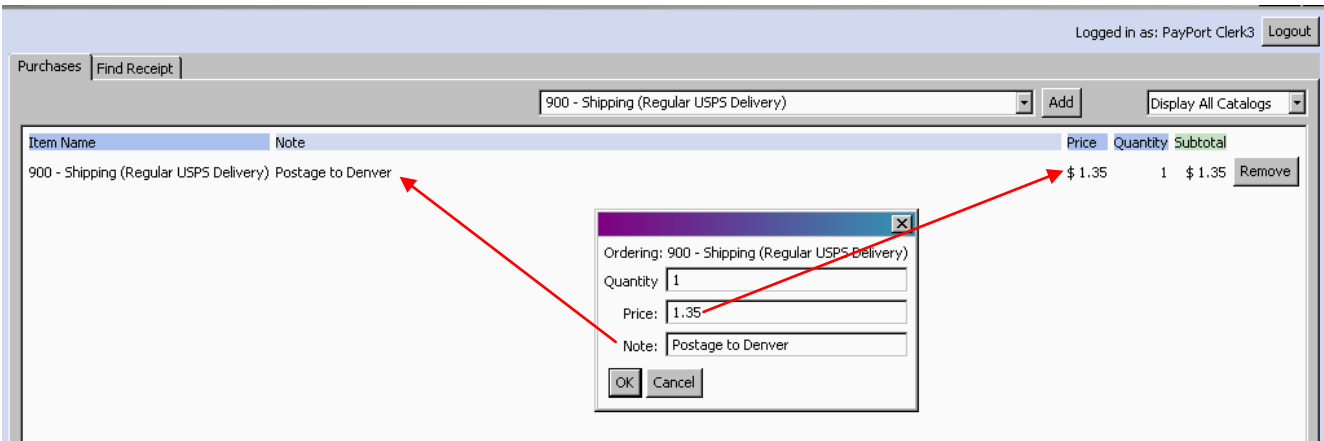

101 - Document Search Add Display All Catalogs

Item Name	Note	Price	Quantity	Subtotal	
101 - Document Search	Lien #8376378	\$ 3.00	1	\$ 3.00	Remove

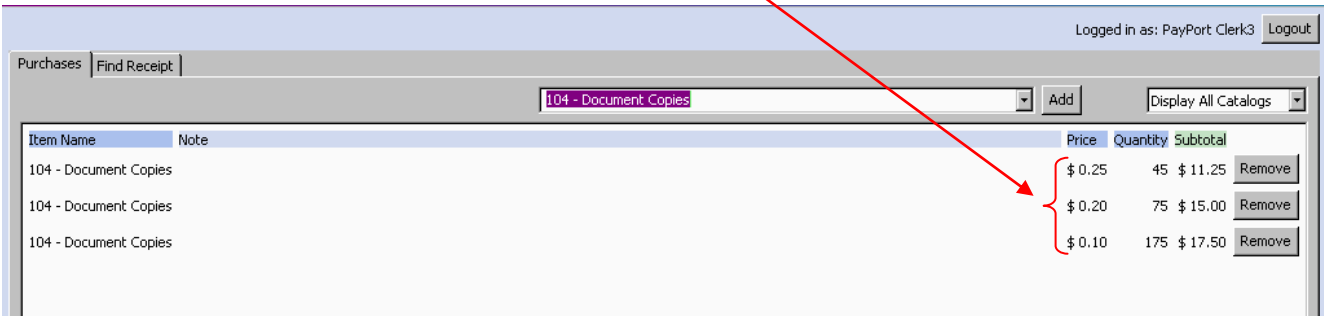

Ordering: 101 - Document Search
Quantity: 1
Note: Lien #8376378
OK Cancel

Notes are not searchable

3. **Variable Price/Comment—Item with manually entered price and space for additional info**

4. **Tiered Pricing—Items with different pre-set prices based on quantity**

5. Taxable—Items pre-set to automatically add sales tax to transaction

Logged in as: PayPort Clerk3 Logout

Purchases Find Receipt

400 - PayPort Mug (taxable) Add Display All Catalogs

Item Name	Note	Price	Quantity	Subtotal	
306 - PayPort T-Shirt, Large (taxable)		\$ 12.95	1	\$ 12.95	Remove
400 - PayPort Mug (taxable)		\$ 6.95	1	\$ 6.95	Remove

Comment

Subtotal: \$ 19.90

Sales Tax: \$ 1.19 Exempt

Processing Fee: \$ 1.63

Total: \$ 22.72 Continue >>

6. Non-taxable—Items which are pre-set not to add tax

PayPort - Beta: Catalog

Logged in as: PayPort Clerk3Logout

PurchasesFind Receipt

401 - PayPort Mug (non taxable)AddDisplay All Catalogs

Item Name	Note	Price	Quantity	Subtotal	
307 - PayPort T-Shirt, Large (non taxable)		\$ 12.95	1	\$ 12.95	Remove
401 - PayPort Mug (non taxable)		\$ 6.95	1	\$ 6.95	Remove

Comment

Subtotal: \$ 19.90

Sales Tax: \$ 0.00Exempt

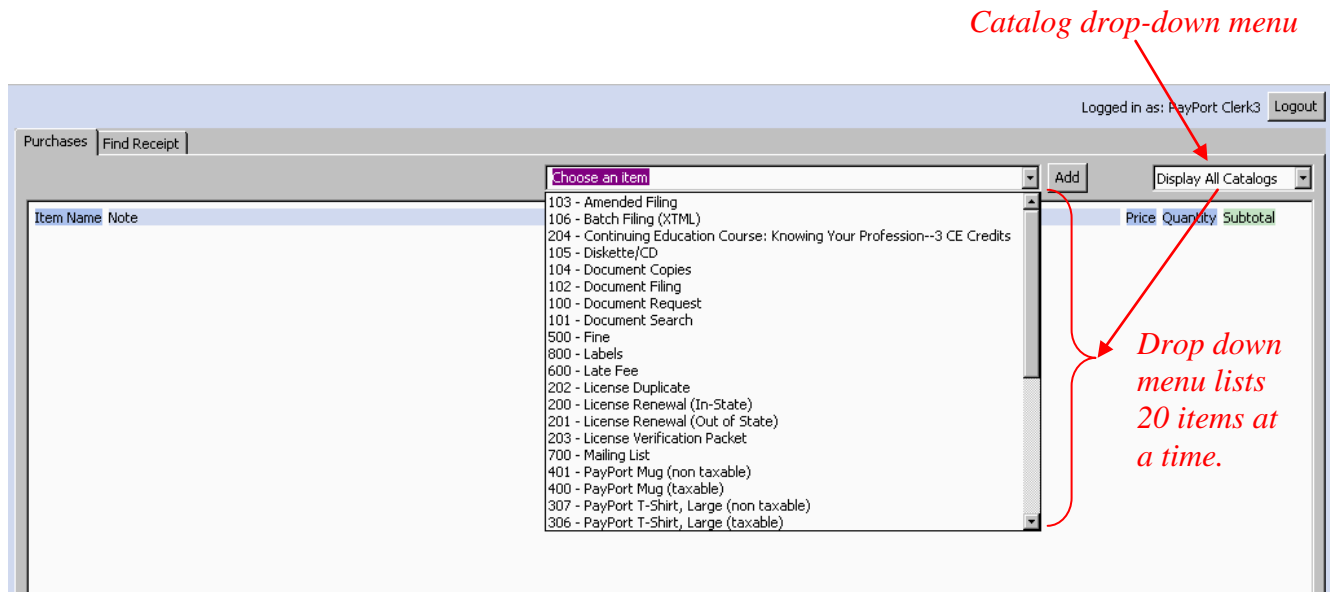

Processing Fee: \$ 1.60

Total: \$ 21.50Continue >>

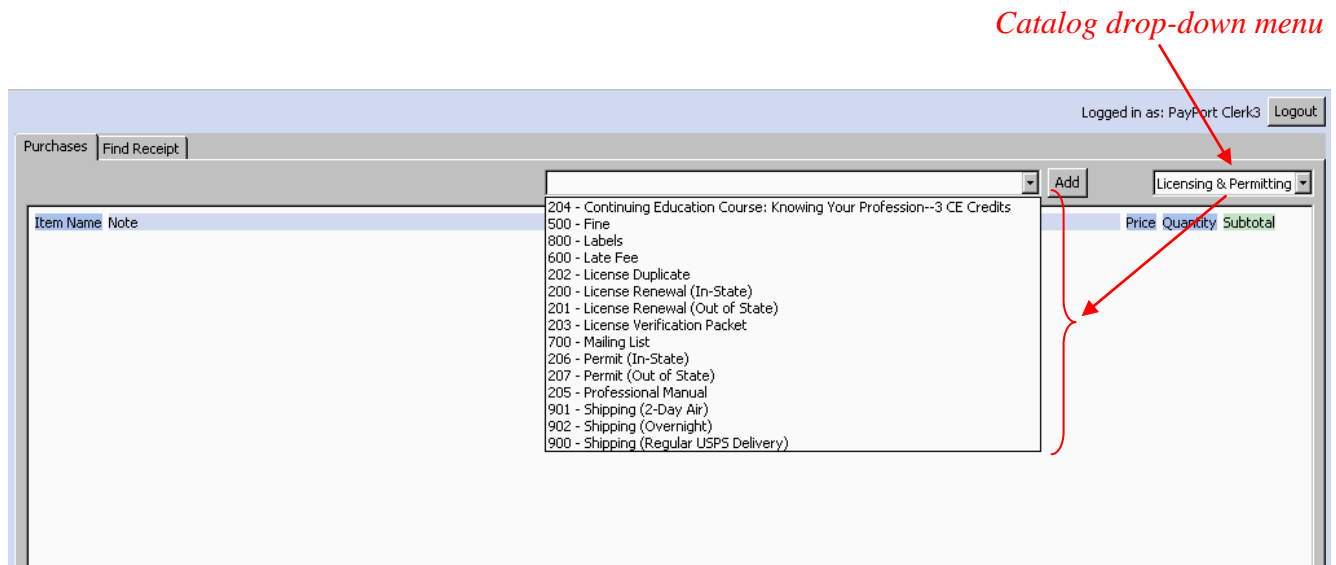

An entire transaction can be made non-taxable by clicking this button.

Section 5: Viewing Catalogs

PayPort defaults to showing all catalogs assigned to your username.

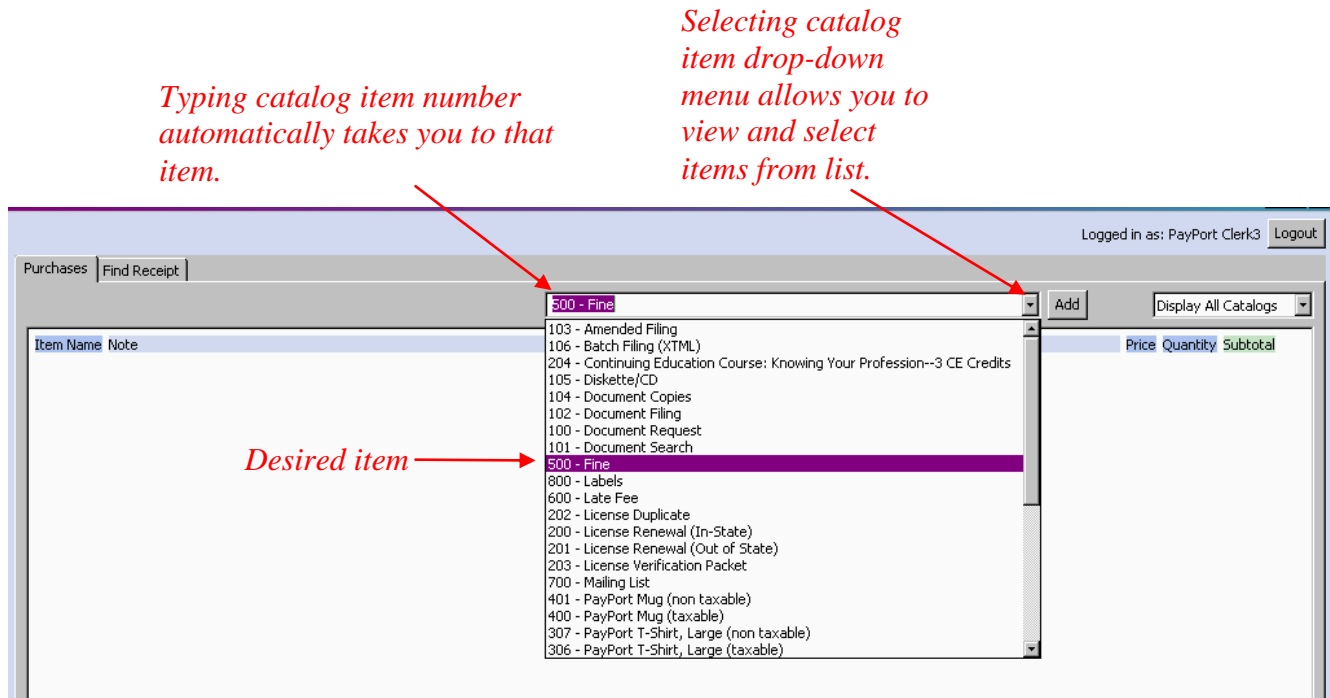

To view only items in a specific catalog, select the catalog drop-down menu and highlight the desired catalog.

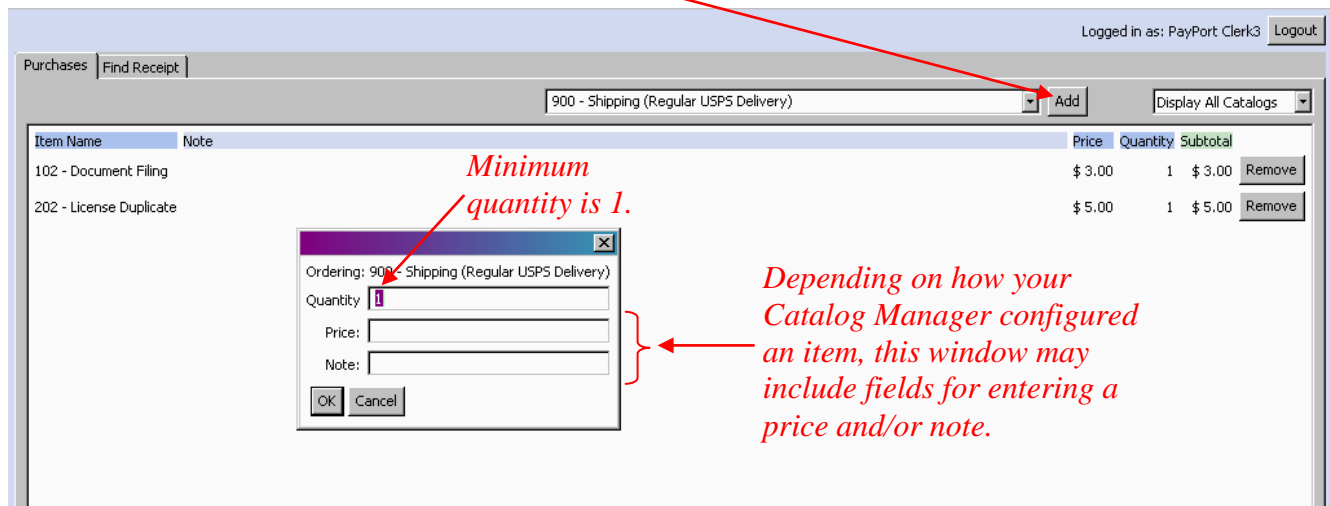

Section 6: Selecting Catalog Items

Step 1. PayPort allows you to find and select catalog items in different ways. It even allows you to navigate between features using only your “Tab” key.

Step 2. Click the “Add” button to display the quantity window for that item.

Section 6: Selecting Catalog Items

Step 3. If applicable, enter price and/or note and select “OK.”

Section 11: Finding Transaction Receipts

Find receipts from transactions you completed by entering search information into one or more data fields and clicking the “Find Transactions” button. Please see your agency’s Catalog Manager for assistance.

Search receipts by:

- **Swiping Credit/Debit Card**
- **Information on Receipt**
- **ACH ID (deposit number)**
- **Transaction Lifecycle**
- **Authorized or Cleared Date Range**
- **Transaction Total**

The screenshot shows the 'Find Receipt' search interface in the PayPort Clerk3 system. The interface includes a header bar with 'Purchases' and 'Find Receipt' tabs, and a user status bar indicating 'Logged in as: PayPort Clerk3' with a 'Logout' button. The search area is titled 'Enter search data' and contains several input fields: 'Order Number', 'Name on Card', 'Comment', 'Transaction ID', 'ACH ID', 'Transaction Lifecycle' (a dropdown menu), 'Authorized Date (MM/DD/YYYY)' and 'Cleared Date (MM/DD/YYYY)' (both with month, day, and year pickers and a 'thru' separator), and 'Total Amount'. A 'Find Transactions' button is located at the bottom of the search area. Red annotations are overlaid on the form: a bracket groups 'Order Number', 'Name on Card', and 'Comment' with the label 'Information on receipt'; an arrow points from 'ACH ID' to the label 'Deposit number'; a bracket groups 'Authorized Date' and 'Cleared Date' with the label 'Transaction date ranges'; an arrow points from 'Transaction Lifecycle' to a list of options: 'Authorized', 'Billed', 'Collected', and 'Billed or Collected'; and an arrow points from 'Total Amount' to the label 'Transaction total'.
